

Dear Volunteer,

Thank you for your interest in volunteering with CHAMP. As a small organization with offices in New York City and Providence, Rhode Island, we find that volunteer work is essential. However, we have a limited capacity for volunteers. We envision more opportunities for volunteer work at CHAMP in the future, though, and are always interested in taking volunteer applications.

We'd like to learn a little more about you in order to best match your time commitment and skills with our organizational needs. If you're interested in being in our volunteer pool, please complete the attached volunteer application.

In addition to general volunteers, we are looking for people interested in volunteering in a professional capacity. If you have experience in web design, writing, marketing, photography, graphic design, financial management, public policy, or other professional skills, please feel free to submit a résumé.

To find out more information, or to submit applications or résumés, please contact Coco Jervis, Director of Policy and Leadership Development at:

We also invite you to consider making a donation of any size to CHAMP. You may do so at: [www.champnetwork.org/donate](http://www.champnetwork.org/donate).

Thanks again for your interest in CHAMP.

Best wishes,

Julie Davids,  
Executive Director
